

### **Remarks**

In the present response, the claims are amended to place the application in condition for allowance. All current rejections are moot. Specifically, independent claim 1 is amended to include the recitations of allowed dependent claim 4, and independent claim 21 is amended to include the recitations of allowed dependent claim 22. Claims 25-28 were indicated as being allowed.

During a telephone interview on 17 July 2009 between examiner Disler Paul and attorney Philip Lyren, the examiner agreed that independent claim 21 transformed audio data into sound and thus agreed to remove the rejections under 35 USC § 101.

In view of the above, Applicants believe that all pending claims are in condition for allowance. Allowance of these claims is respectfully requested.

Any inquiry regarding this Amendment and Response should be directed to Philip S. Lyren at Telephone No. 832-236-5529. In addition, all correspondence should continue to be directed to the following address:
